BRUNSELL LUMBER & MILLWORK

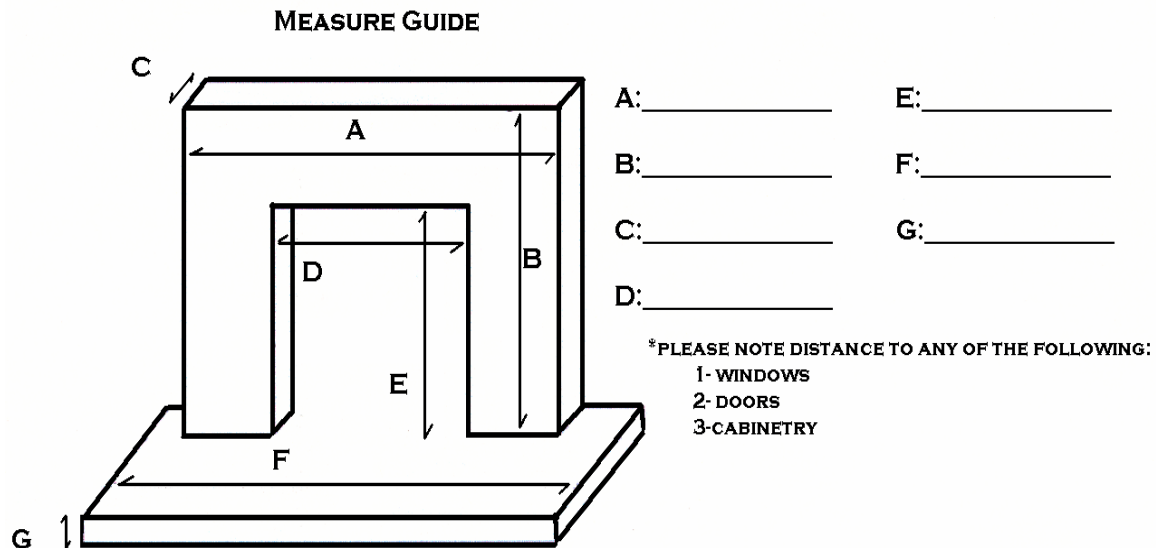

Brunsell's Custom Fireplace Mantels are meticulously constructed from solid woods by skilled craftsmen in our millshop. Since 1938 Brunsell has been supplying Madison area builders and homeowners with quality Fireplace Mantels, Mantel Shelves and Surrounds.

Because we manufacture each Mantel per order, we are able to offer any size or style. We have the unique ability to accommodate unusual job-site situations and wall conditions. Our Mantels are delivered preassembled in one piece for easy installation.

We also offer various wood species. No particle board or fiberboard is allowed in our Custom Mantels. The most popular woods are Red Oak, Cherry, Birch, Maple and Mahogany. Several other species are available.

Mantel designs are unlimited. They can be developed from architectural details, photographs, or magazine pictures. These line drawings we have put together represent some of our most popular designs. Installation and finishing is available.

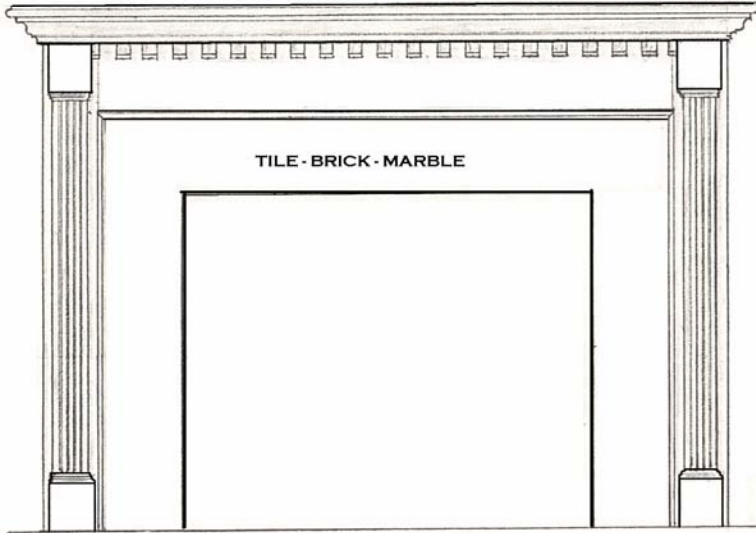

Visit our web site: www.brunsell.com to view our picture gallery for further mantel and millwork ideas.
